Pôle Urbain de Diamniadio, B.P: 4026

2. Visas

Many nationalities do not require a visa to enter Senegal. Please consult the country list available on the [EITI website](#) to check if you need a visa. This list is also available in [Annexe 1](#) of this booklet.

Once your registration is confirmed and if you indicated that you needed a visa, the EITI International Secretariat will send you a personalised invitation letter.

If you are a confirmed participant requiring a visa to travel to Dakar and do not have a Senegalese embassy or consulate in your country of residence, please contact conference-team@eiti.org.

Update on visas – added in May 2023

We received new guidance from Senegal regarding visas. The updated information affects [this list of countries](#).

If you are from one of these countries, it is recommended that you contact your nearest Senegalese embassy/consulate to request a visa on arrival. This process will be easy and quick. It would be useful if you bring the invitation letter that you have already received. The International Secretariat can provide an invitation letter upon request, contact conference-team@eiti.org.

If you are from one of those countries and you are not able to contact a Senegalese embassy/consulate, the EITI International Secretariat can request a visa on arrival on your behalf. You would not need to start any visa-related procedure ahead of your travel to Dakar. To request support, we invite you to complete [this form](#) before Friday 2 June.

3. Vaccine requirements

Under International Health Regulations, a certificate of **yellow fever** vaccination is required for travellers over nine (9) months of age who:

- Arrive from countries with risk of yellow fever transmission, and/or
- Have transited through an airport of a country with risk of yellow fever transmission.

For more information about yellow fever, malaria or other vaccines, we recommend that delegates consult the [Centers for Disease Control and Prevention website](#).

As of 16 May 2023, the Government of Senegal has lifted all health control measures and travel restrictions for COVID-19. However, should the situation evolve, travellers will need to follow local guidance and restrictions. For more information, please consult the [Senegalese Ministry of Health website](#).

It is the delegate's responsibility to ensure that health related safety recommendations are followed.

4. Currency

The currency in Senegal is the CFA franc (XOF).

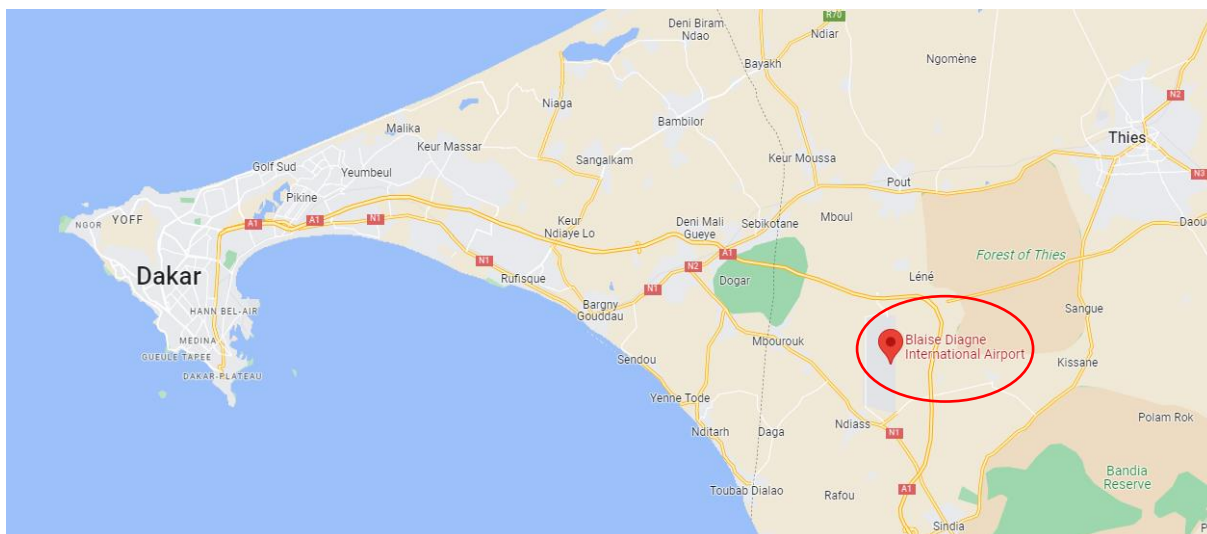

We recommend delegates to exchange foreign currency for CFA francs in a reputable exchange office. ATMs are widespread and reliable in Dakar, but withdrawal limits can be quite low.

Credit cards are accepted in large establishments that welcome tourists. A commission is often added for their use. However, we advise you to have a small quantity of cash. Taxi drivers, small shops or markets will only accept cash.

Euros and US dollars are easy to exchange at most FOREX bureaus who usually offer better rates than hotels.

5. Transport to/from the airport

Blaise Diagne International Airport (Aéroport international Blaise Diagne, DSS) is the main international airport to access Dakar.

The International Secretariat does not offer free airport transfers for delegates.

Our local partner, [AME Trade Senegal](#), can assist and propose to arrange airport transfers as per the rates indicated below. If you are interested in arranging an airport transfer, please download and complete [this form](#) and send it to evenements@ametrade.org by **31 May 2023**.

Route	Price
One-way airport transfer (arrival or departure)	30,500 XOF per person (approx. USD 50)
Return airport transfer (arrival and departure)	58,000 XOF per person (approx. USD 100)
One-way airport transfer (arrival or departure) for max. 2 people in a private car	49,000 XOF per transfer (approx. USD 85)
Return airport transfer (arrival and departure) for max. 2 people in a private car	98,000 XOF (approx. USD 165)

6. Transport to/from the conference centre

Shuttle service

A number of shuttle buses will be available free of charge from Dakar to the conference centre. The shuttles are accessible to all participants.

It is important to respect the bus schedule in view of traffic situation in Dakar, particularly on Tuesday 13 June as the road between Dakar and CICAD may be intermittently closed due to VIP transport.

For the duration of the Global Conference (12 – 15 June), shuttle buses will depart from nine pick-up points, across three zones in Dakar:

Zone	Pick-up point
Dakar Plateau (central Dakar)	<ul style="list-style-type: none"> - Hotel Novotel (see on Google maps) - Hotel Axil (see on Google maps) - Hotel Fleur de Lys Plateau (see on Google maps) - Dakar National Theatre (see on Google maps)
The Almadies	<ul style="list-style-type: none"> - Hotel L'Adresse (see on Google maps) - Hotel Yaas (see on Google maps) - Hotel Fleur de Lys Almadies (see on Google maps)
Corniche	<ul style="list-style-type: none"> - Hotel Radisson Blu (see on Google maps) - Hotel Terrou-Bi (see on Google maps)

The timetable is adapted to the Global Conference programme and can be consulted in [Annexe 2](#) and on the [EITI website](#).

No other means of transport will be provided by the EITI International Secretariat to access the conference centre. Should you miss a shuttle or wish to travel at a different time, transport arrangements will be your responsibility and costs will be at your expense.

Alternative transport to/from CICAD

One alternative route to reach CICAD is the regional express train TER (Train Express Regional). The stop to get to CICAD is **Diamniadio train station**. The train takes 45 minutes from Dakar train station to Diamniadio train station. It departs every 20 minutes. Ticket can be bought for 1,500 XOF (approx. USD 2.50) per trip or 2,500 XOF (approx. USD 4.20) per trip for first class. For more information, visit the [TER official website](#).

The journey from Diamniadio train station to CICAD takes approximately 10 minutes. Taxis are intermittently available at Diamniadio train station, and there is also a local bus.

The EITI will provide free shuttles buses between the Diamniadio train station and CICAD from Monday 12 June to Thursday 15 June (10:00 to 15:00).

7. Accommodation in Dakar

Hotels in Dakar

Nearly all of hotels are located either in Central Dakar (commonly known as Dakar Plateau) or in the neighbourhood of the Almadies (close to the ocean on the far west of the peninsula). Both areas are close to all necessary services such as transport, restaurants and shops. The Almadies area is lively at night with many beachside restaurants and clubs.

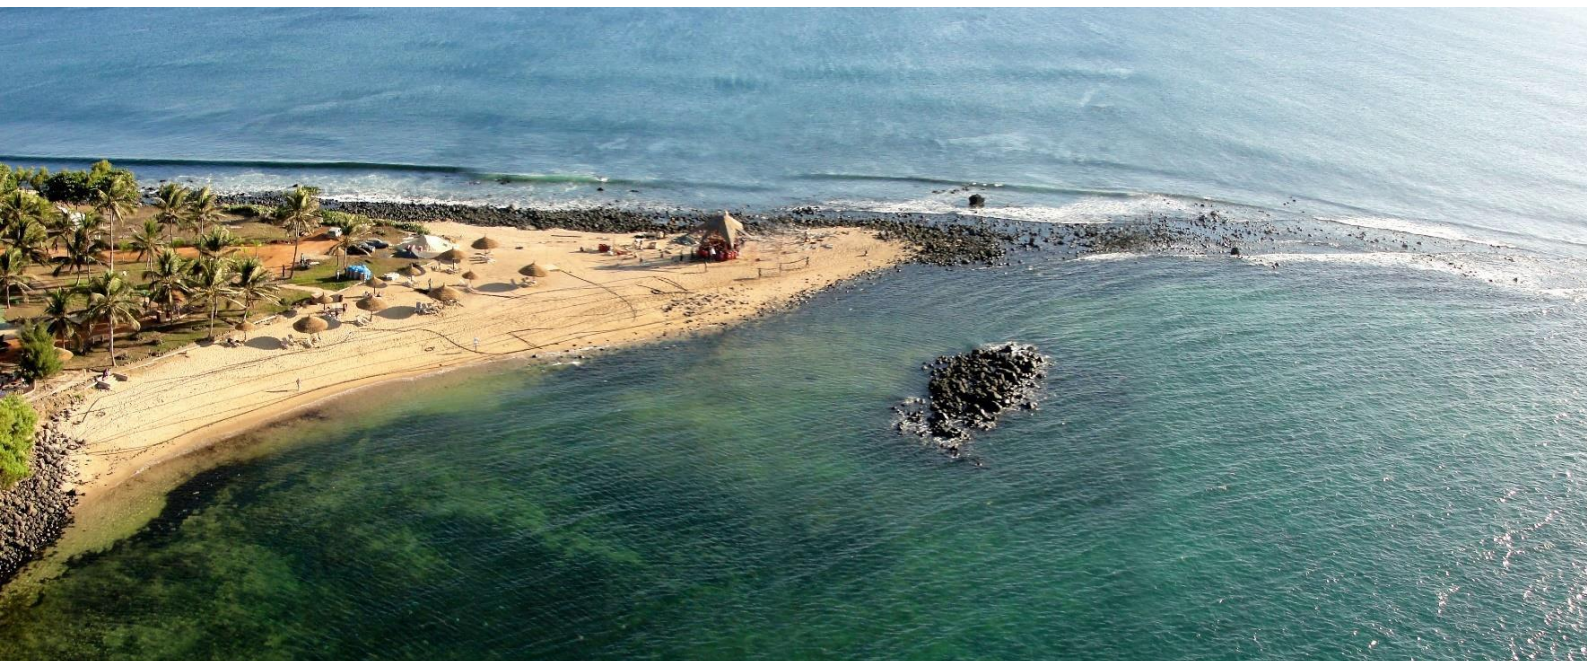

How to book your accommodation in Dakar

Non-sponsored delegates are responsible for booking their own accommodation. Our local partner, [AME Trade](#), has negotiated preferential rates with a wide range of hotels in Dakar. The hotels range from 3-star to 5-star hotels.

The list of hotels with contact information and codes to receive a discounted price is available in [Annexe 3](#) of this booklet and on the [EITI website](#).

Some hotels may raise their prices due to demand. If this occurs or if you are having difficulty communicating with a hotel, please contact our local partner at evenements@ametrade.org. They will do their best to help.

All hotels listed accept credit or debit cards. Prices include breakfast and tourist tax, unless stated for single occupancy of the room. **Tourist tax** in Senegal is XOF 1,000 (approx. USD 1.70) per night per person.

8. Badge collection
