Dear Honourable Prime Minister,

Re: Nomination of Representatives to the G-EITI Multi-Stakeholder Group

The Ministry of Natural Resources is in the process of establishing a Multi-Stakeholder Group (MSG) to oversee the establishment and governance of the Extractive Industries Transparency Initiative in Guyana. This group will be comprised of representatives from Government agencies, Industry and Civil Society. The formation of this body is essential for Guyana to be accepted as an EITI Candidate Country and for the successful implementation of EITI thereafter.

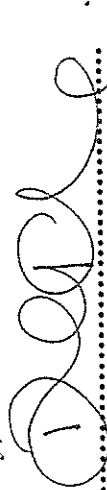

The EITI is an international standard for transparency in extractive industry payments and receipts. In countries participating in the EITI, companies are required to publish what they pay to governments and governments are required to publish what they receive from companies. The Government of Guyana has publicly stated its commitment to become a participant of the initiative as we provide better stewardship of our national patrimony.

The group will be the main decision making body and will have the responsibility for establishing objectives for EITI implementation, promoting public participation, and the production and submission of timely reports to the EITI International Secretariat.

It is against this background that the Ministry of Natural Resources invites you to nominate **two** (2) high-level Officers from your Office to serve as primary and alternate members on the G-EITI Multi-Stakeholder Group. Please direct nominations in writing to me at the Ministry of Natural Resources, Upper Brickdam, Georgetown, Guyana at your earliest opportunity.

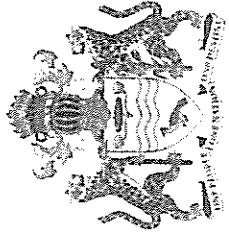

I look forward to your consideration and support.

Sincerely,

.....

Dear Mr Nilsson,

Re: Nomination of Representatives to the G-EITI Multi-Stakeholder Group

In furtherance of the Government of the Cooperative Republic of Guyana's objective of attaining membership of the Extractive Industries Transparency Initiative, a Multi-Stakeholder Group comprised of representatives from Government, Industry and Civil Society, to oversee the establishment and governance of the Extractive Industries Transparency Initiative is to be established.

This group will be the main decision making body and will have the responsibility for setting objectives for EITI implementation, producing EITI reports and ensuring that the finding contribute to public debate.

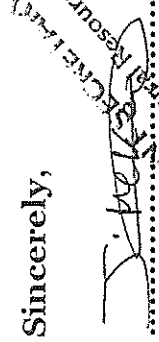

The creation of this body is essential for Guyana to be accepted as an EITI Candidate Country and for the successful implementation of EITI thereafter.

The Government wishes to include the mining industry in the MSG and Ministry of Natural Resources hereby invites you to nominate one primary member and one alternate member to serve on this Group. We are confident that Troy Resources Inc. would wish to participate in this initiative.

Please direct nominations in writing to **Ms. Darlene Christian**, Ministry of Natural Resources, Upper Brickdam, Georgetown, Guyana.

We look forward to your full involvement and support.

Dear Mr. Simons,

Re: Nomination of Representatives to the G-EITI Multi-Stakeholder Group

I write to remind you that in furtherance of the Government of the Cooperative Republic of Guyana's objective of attaining membership of the Extractive Industries Transparency Initiative, the Ministry of Natural Resources had written you requesting your company to nominate one primary member and one alternate member to serve on the G-EITI Multi-Stakeholder Group which will oversee the establishment and governance of the Extractive Industries Transparency Initiative in Guyana.

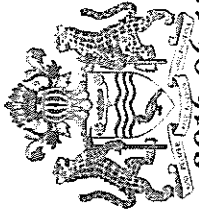

As you know this group will be the main decision making body and will have the responsibility for setting objectives for EITI implementation, producing EITI reports and ensuring that the findings contribute to public debate.

Exxon Mobil has advertised globally that it is a corporate supporter of the Extractive Industries Transparency Initiative and that the Company is actively involved in supporting the implementation of the EITI Standard in countries around the world. We therefore see no difficulty with Exxon Mobil being engaged in G-EITI. Please indicate, as a matter of urgency, who the representatives to the G-EITI Multi Stakeholder Group will be.

Sincerely,
